WHERE BUSINESSES LEAK MONEY

“Opening one more branch scares me, because I can’t be in two places at once.

5 do’s and don’ts before your next branch opens.

✕ DON’T → ✓ DO

Swipe

The process

✕ DON'T

Let new staff learn it by watching whoever's there.

✓ DO

Write the process down before the branch opens.

The numbers

✕ DON'T

Run the business on phone calls to each manager.

✓ DO

See **every branch on one screen**, with the same numbers.

Logins

✕ DON'T

Share one login across a branch.

✓ DO

Give every person **their own login and role**.

Vendors and costs

✕ DON'T

Let one branch's bills hide inside another's.

✓ DO

Keep **vendors and costs separate** for each branch.

Day one

✕ DON'T

Copy the old branch's chaos and fix it later.

✓ DO

Start on **the same system from day one**.

BEFORE THE NEXT BRANCH

New branch, new people. Not a new process.

DON'T		DO
✕ Learn by watching	→	✓ Process written down
✕ Calls to managers	→	✓ One screen, all branches
✕ Shared login	→	✓ Own login and role
✕ Mixed bills	→	✓ Costs per branch
✕ Copied chaos	→	✓ Same system, day one
