WHERE BUSINESSES LEAK MONEY

“I hired more people and the chaos got bigger, not smaller.

5 signs you’re about to hire into chaos, and what to fix first.

SIGN 1 OF 5

Handoffs on WhatsApp

✕ THE SIGN

Work is handed over in chats, and things get lost there.

✓ FIX FIRST

One owner for every stage of the work, on record.

SIGN 2 OF 5

Nobody owns it

✕ THE SIGN

Nobody can say who has a job right now.

✓ FIX FIRST

Every job shows **its stage and its owner**.

SIGN 3 OF 5

Waiting for you

✕ THE SIGN

Staff wait for the owner to say what’s next.

✓ FIX FIRST

Work is **assigned by the system**, not your memory.

SIGN 4 OF 5

Double calls

THE SIGN

One customer gets called twice.
Another gets no call.

FIX FIRST

One owner per customer, assigned in turn.

SIGN 5 OF 5

No numbers

✕ THE SIGN

Reports take days, so nobody knows if the last hire helped.

✓ FIX FIRST

Numbers you can check this week, by person.

BEFORE THE NEXT HIRE

Fix the process. Then hire.
